

Burley has manufactured Indoor Cricket Balls since the games inception in Perth in the 1970's. Since then Burley has become the undisputed market leader and endorsement by all major indoor cricket nations.

South Africa

**CBSSIC**

**Super Soft:** is officially endorsed by the 'World Indoor Cricket Federation' as the ball for all International Matches. In Australia it is the ball used in all National League Matches and Championships.

(Blue/Red Stitch)

**CBLOIC**

**Low Impact:** Also widely used worldwide - excellent shape retention characteristics.

(Red Stitch)

**CBSVIC**

**Super Life:** Suitable for Top Grade Adult Indoor Cricket. The centre is harder than the other Burely Balls.

(Blue Stitch)

**CBVSIC**

**Ultra Soft:** Suitable for Junior and Mixed indoor cricket. The softest ball in the range - reduces the chance of injury.

(Green Stitch)
